INSPIRATIONAL THOUGHT FOR TODAY

"The simple step of a courageous individual is not to take part in the lie." — Aleksandr I. Solzhenitsyn.

VIDEO OF KLAUS SCHWAB DESCRIBING TRUDEAU'S LOYALTY TO THE WORLD ECONOMIC FORUM

a video has emerged World Economic Forum leader Klaus Schwab describing Trudeau's loyalty to this globalist organization. The video appears to have been taken in 2016 Just after Trudeau became the Prime Minister of Canada. <https://twitter.com/TheNo1Waffler/status/1493702862471323661>

CTV POLL ON EMERGENCY ACT

An online poll by CTV Calgary suggests that about 81% of people disapprove of the Emergencies Act while 19% approve. This poll seems consistent with other assessments.

FINANCIAL SUPPORTERS

CBC and other mainstream media platforms are names/addresses from an illegally hacking of Give Send Go to harass individuals and businesses that contributed to Freedom Convoy 2022.

QUEBEC DROPS MANDATES

The province of Quebec will put a gradual end to mandates. The vaccine passport will not be required for liquor and cannabis stores starting immediately. Proof of vaccination will not be required to access places of worship and funeral homes as of Feb. 21 and the system will be fully lifted as of 14 March. The province did add, however, the mandates could be reimposed if circumstances change.

BRITISH COLUMBIA DROPS CAPACITY LIMITS

British Columbia health officials have announced B.C. will be dropping restrictions for indoor and outdoor gatherings while keeping the B.C. vaccine card in place. BANK RUN

A number of individuals are suggesting a minor bank run may be the result of Finance Minister Chrystia Freeland's decision to have personal and business bank accounts arbitrarily frozen for the "terrorist act" of supporting a peaceful movement.

CRYPTO BAN?

Finance Minister Chrystia Freeland has said the Government of Canada will go after cryptocurrencies as a result of the Emergency Powers Act. Whether deliberate or not, Minister Freeland appears to be directly challenging a form of money that was created deliberately to avoid actions such as her own. This sets up a "crypto vs government" struggle. Although the outcome is unclear, Freeland appears to have set up cryptos for one of their best endorsements ever.

Finance Minister Freeland, seen here at a World Economic Forum event, says the government can arbitrarily seize bank accounts, crowd funding money and cryptocurrencies.

DAILY HUMOUR

Freedom Convoy 2022 organizers had thought about moving operations into a rented barn like structure. But then they remembered what happens to barns when the RCMP is involved.
